Earning Training Units (TU's) at WLI Classes or approved Conferences anywhere in the world (live or recorded).

- ***Every WLI Student can receive 4 TU's for every learning event of approx. 14 hours (classes or conferences) and you can read books for extra TU's.***
 - ***A normal training event is 14 hours of training to obtain 4 TU's, and 2 book reports gives a total of 6 TU's for the event. (Cost \$300.00)***
 - ***If the event is more than 15 hours, add 1 training unit for each additional 6 hours of teaching***
 - ***If the event is only 9-12 hours it would be worth - 3 TU's + book reports.***
 - ***If the event was 6-8 hours is basically 1/2 a class it would be worth 2 TU's plus book reports***
- ***A Self Evaluation Paper (SEP) needs to be written for each event of what impartation you received to make you a better worker for the Lord. See the website under "student center" for forms.***
- ***A person can only do a class once for full credit. If they decide to do the class again for credit they can earn only 1 training unit, and they must turn in another SEP. The student can read other books for more TU's.***

Reading books to obtain Training Units

- ***We encourage all students to read 2 books within a 3 month time period after the approved course or conference. This is optional if a student prefers not to. An additional 2-training unit can be earned for each 360 + pages of material read when joined to a class, self-directed study or mission trip. There is 1 Training unit given for each normal size book of 180 + pages.***
 - ***1 TU's for each normal size book of 180+ pages***
 - ***2 TU's for 2 books and so on.***
 - ***To receive credit for reading, you must complete one reading report form for each book read. You may also make your own reading report forms that contain the information***

we request. The books that you read must be related to the subject covered in the class. Some faculty will give a suggested reading list.
